The Uniting AgeWell Charity Golf Day

Monday 20 November 2017 – Commonwealth Golf Club, South Oakleigh

Tee off at one of Melbourne's premier golf courses and help make dreams come true!

The Annual Uniting AgeWell Charity Golf Day is returning to the stunning Commonwealth Golf Club in November.

This is a wonderful opportunity to not just play at one of Melbourne's premier golf courses, but to make a difference to seniors across Victoria and Tasmania.

All funds raised at the Charity Golf Day go to the Uniting AgeWell Wishing Well program, which helps people we support achieve their dreams.

It could be a once-in-a-lifetime helicopter trip to a Tasmanian winery (pictured), or a surprise international reunion with an old friend. It may be providing technology that enables someone to stay in touch with family interstate, or a rousing performance by the Salvation Army Band.

In the few years the program has been running, we have granted more than 60 wishes to our clients. Dozens more are waiting to be granted. With more than 7,000 clients in Victoria and Tasmania, there are many more opportunities to make dreams come true.

Granting these wishes would not be possible without the generous funds raised at our Annual Charity Golf Day. Last year's golf day raised \$50,000, and with your help, this year we can do even better.

There are many ways you can support our Charity Golf Day, with packages to suit all budgets. You can take up one of our great sponsorship opportunities, register as a playing group or individual player or sponsor a prize.

The Uniting AgeWell Charity Golf Day is also a great way to network with your business partners and customers, promote your commitment to community development, reward your staff, and of course have fun.
