Support at Home - Price List

1 November 2025

This Service Price List will come into effect on 1 November 2025 in line with the introduction of the Australian Government's new Support at Home program, which replaces the Home Care Package program. Services will be grouped into three categories and charged according to that category.

Key changes relate to Care Management and Package Management Administration fees:

- You will continue to pay a Care Management fee, however it is now capped at 10% of your Support at Home budget and is automatically applied by Services Australia.
- You will no longer be charged separately for package management. These costs are now incorporated into the cost of each service you use.

If you have any questions, please contact our Customer Care team on **1300 783 435** or email **info@unitingagewell.org**
